

Guidelines for submitting *Raw Fiber for Sale* on NSAA's Website

The following information will be used to market your RAW FIBER on NSAA's website. Please provide the following...

CONTACT information:

Farm Name:

City/State:

Email address AND/OR Phone:

FIBER information:

Type of fiber : Huacaya or Suri

Color:

Micron:

Amount available: (how much of this fiber do you have available?)

Price per ounce:

Additional information:

(Use 'Additional Information' for any other info about this fiber that may be relevant. For example, Is this fiber especially well skirted? Does it have exceptional staple length or great crimp? Is it a cria fleece? Maybe it's discounted because it's not skirted at all? Won an award at a show?, or anything else you may want to say about this fleece).

Please provide the above information for each submission. Your ad will be more eye-catching with a photo of the fiber. Please provide a photo, if possible. Your info and photo can be emailed to leeanna@pronkinpastures.com.

Visit the website at www.northsoundalpacas.org/fibermarketplace to view examples of Fiber Marketplace ads.

Raw fiber ads will be limited to *6 lots per farm per quarter*. The webmaster will do his/her best to update information regularly.

Information will be uploaded to the website once a month. Please submit your info by the 5th of the month for updates done on or around the 10th. Updates received after the 10th will be uploaded the following month.

Please help us to keep the website current by advising the webmaster when the fiber is no longer available.
